Since 2003, Carter Holt Harvey (CHH) has exclusively utilised the services of Wisewoulds Lawyers for assistance and advice in relation to the management of workers' compensation claims and related litigation in Victoria (CHH is self insured for workers' compensation in Victoria).

CHH has, and continues to be highly satisfied with the level of expertise, responsiveness and support provided by Wisewoulds personnel. Over this 5 year period we have conducted regular third party audits and periodic reviews of our self insurance management arrangements, and the performance of Wisewoulds has consistently been rated at the highest level in these reviews.

At CHH, we see our partnership with Wisewoulds as an important element in our business success, and we sense that Wisewoulds reciprocate in this view of the relationship.

Based on our experience, we are happy to recommend Wisewoulds as a provider of such services.

If further information is required, I can be contacted on 03 9278 1948.
