19th January 2009

TO WHOM IT MAY CONCERN

Pharmaceutical Defence Limited has dealt with Wisewoulds Lawyers for legal advice for in excess of 50 years, (during these years they have had different titles).

We have found Wisewoulds to be proficient, pleasant and prompt. They provide legal documentation in easily understood language with a healthy dose of common sense.

It has been a very satisfactory partnership over the years.

Yours sincerely

John R Coppock
Chairman
