To Whom It May Concern,

Re: Wisewoulds Lawyers – ACCC Proceedings

The Company that formerly operated the FILA Licence in Australia was prosecuted in 2001 by the ACCC.

For some time, Martin was one of the lead lawyers on the defence team.

I believe that Martin's command of the issues, and his wise counsel throughout this difficult period was critical for our management of the issue.

We sincerely appreciate Martin's ongoing advice and guidance.

Please don't hesitate to contact the undersigned, if you would like any further information regarding this matter.

Yours faithfully,
